### Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

### Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.</p> <p>You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.</p>

<p><b>How will I pay for the services provided?</b></p>	<p>For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.</p> <p>If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.</p> <p>When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.</p>

<p><b>How are any commissions, fees or other benefits calculated for providing the financial services?</b></p>	<p>Our commission will be calculated based on the following formula: <math>X = Y\% \times P</math></p> <p>In this formula:</p> <p>X = Medisure Indemnity Australia Pty Ltd 's commission</p> <p>Y% = the percentage commission paid to Medisure Indemnity Australia Pty Ltd by the insurer. Our commission varies between 0% and 30%.</p> <p>P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).</p> <p>Any fees that we charge you will be:</p> <ul style="list-style-type: none"> <li>• An administration fee in addition to commission when you enter into an insurance policy.</li> <li>• A flat fee for arranging an insurance policy or a fee based upon the time we spend advising you.</li> <li>• An annual management fee.</li> </ul> <p>Any fees that we charge you will be based on the complexity of your insurance program and policy types.</p> <p>We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 10% to 30% of our commission or fees.</p>

We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when Medisure Indemnity Australia becomes entitled to the commission.</p> <p>Our commission rates for premium funding are in the range of 0% to 4% of funded premium.
